February was another busy month for Imperial Fund as we worked on our first deal of the year and **24th in firm history (ADMT 2025-NQM1)**, which is now out.

Imperial Fund will be hosting our [investor event](#) with a special guest, [Vice Admiral Timothy "T.J." White](#). We will share company updates, market outlooks, and outline our strategic plans for the year. We are pleased to welcome you to our new office and showcase its facilities. The evening will feature an elegant dinner and opportunities for informal discussions. Please kindly let us know if you plan to attend by emailing info@imperialfund.com.
